Summary

Motivated Computer Science and Engineering graduate with foundational knowledge in Python, SQL, HTML, and CSS. Passionate about software development and eager to build practical skills through real-world projects and opportunities. Quick learner with strong interest in improving coding, problem-solving, and communication skills.

Skills

Programming Languages: Python, SQL

Web Technologies: HTML, CSS, Basic JavaScript

Tools & Platforms: VS Code, GitHub, MS Excel

Core Concepts: Problem Solving, Basic Web Development, Database Management

Experience

Data Science Intern

Feb 2025 – May 2025

Prinston Smart Engineers

Bangalore, India

- Worked on a House Price Prediction project during internship training using Python and Machine Learning concepts.
- Learned basics of data preprocessing, model training, and data visualization techniques.
- Gained exposure to Python libraries and practical implementation of machine learning workflows.
- Collaborated with team members during project development and presentation activities.

Projects

Spam Email Detection | *Python, Machine Learning*

2024

- Developed a basic machine learning project to classify spam and non-spam emails.
- Worked with text preprocessing and classification concepts using Python libraries.
- Understood the basics of model training and prediction techniques.

EcoSnap – An Eco Waste Mate | *Python, Machine Learning*

2025

- Academic major project focused on waste classification and environmental awareness.
- Explored image-based waste detection concepts using machine learning techniques.
- Worked as part of a team during project development and presentation.

House Price Prediction | *Python, Machine Learning*

2025

- Built a predictive model to estimate house prices based on different property features.
- Performed basic data analysis and preprocessing using Python.
- Learned practical implementation of regression-based machine learning concepts.

Certifications

- Data Science Internship Certificate – Prinston Smart Engineers (2025)

Education

Bachelor of Engineering in Computer Science and Engineering

2022 – 2026

Vijaya Vittala Institute of Technology

Bangalore, India
